MGOCSM

MGOCSM (Mar Gregorios Orthodox Christian Student Movement) is one of the oldest Christian student organizations in India, particularly active within the Malankara Orthodox Syrian Church. It was founded in 1907 by Saint Geevarghese Mar Gregorios of Parumala, a revered figure in the Orthodox Church, with the aim of bringing together students, especially from higher education institutions, for spiritual nourishment and Christian fellowship.

The movement operates with a strong focus on encouraging Orthodox Christian values among youth, developing leadership qualities, and fostering service-oriented activities. MGOCSM conducts various spiritual programs, retreats, seminars, and community outreach activities to engage young people in the Church's mission. The movement also has chapters worldwide, uniting Orthodox Christian students in different regions.

Key aspects of MGOCSM's work include:

Spiritual Development: Organizing Bible studies, prayer meetings, and retreats to strengthen the spiritual life of students. **Social Engagement:** Encouraging students to take part in social service and charitable activities. **Leadership Training:** Conducting workshops and seminars to develop leadership qualities among youth. MGOCSM continues to play a vital role in nurturing the faith and spiritual life of young Orthodox Christians in Kerala and beyond. The MGOCSM of the college offers course on Professional Ethics, Gender and Human values. Every Friday 12.15 to 12.45p.m.resource persons either teachers or Priests take classes on the same.. The unit conducts mission field activities and relief fund collection to help the needy. The unit conducts tour to Parumala every year on 2 November to commemorate the feast of Parumala Thirumeni.

• **College Union and Student Activities**

The College Union Election for the year 2022-2023 was conducted on 5 December, 2022 and the newly elected body took their oath on December 12,2022 officially taking up the responsibilities of the posts held. These students holding vital positions in the union are active participants in the academic and administrative activities of the college.

III. Infrastructure and Learning Resources

The new administrative block is under construction with a new Library, labs and offices. The construction of the new administrative block marks a significant milestone in our institution's continued growth and development. This state-of-the-art facility is designed to enhance the efficiency and effectiveness of our administrative operations, providing a modern and welcoming space for both staff and visitors. Equipped with cutting-edge technology and sustainable design

features, the new block will streamline processes, foster better communication, and create a more productive working environment.

Beyond its functional purpose, the administrative block symbolizes our institution's commitment to progress and excellence. As we expand our campus infrastructure, we remain focused on creating spaces that not only meet current needs but also anticipate the future demands of a dynamic academic community. The new block will play a vital role in supporting the institution's mission, ensuring that we continue to serve our students, faculty, and stakeholders with the highest standards of professionalism and care.

The Library has access to N-List, electronic journals and resources. Our library stands as the intellectual heart of the institution, providing a rich and diverse collection of resources that support academic growth, research, and lifelong learning. Over the years, it has evolved into a modern knowledge hub, offering not only traditional books and journals but also digital databases, e-books, and multimedia resources that cater to the diverse needs of our students and faculty. It serves as a space where students can immerse themselves in learning, explore new ideas, and engage in critical thinking. Conclusion

In conclusion, this academic year has been marked by the successful completion of numerous programs that have enriched our college community. From academic achievements to extracurricular triumphs, our students have demonstrated excellence, resilience, and growth. The

collaborative efforts of faculty, staff, and students have resulted in a vibrant campus atmosphere, fostering innovation and inclusivity. As we look forward to the coming year, we are confident that the foundation laid by this year's accomplishments will propel us to even greater heights. We remain committed to nurturing talent, promoting holistic development, and upholding the standards of excellence that define our institution.

Our college prioritizes rural development and extension activities, in fostering sustainable growth and uplifting rural communities. By integrating education with practical solutions for real-world challenges, our institution empowers students to become agents of change, equipping them with the knowledge and skills necessary to address the unique needs of rural areas. This commitment not only enhances the well-being of marginalized population but also contributes to national development. As a hub of innovation and community engagement, the college creates a lasting impact, fostering inclusive growth, social equity, and a brighter future for all.
