In this year Covid-19 affected the various activities the cell, even though we tried to do our level best within the protocol. When analysing the activities of the women cell in St. Cyril’s College, Adoor, can understand that it always stands for the sake of women faculties, staff and girls students, to enhance the understanding of issues related to women and to make the college campus a safe place for them. It also provided a platform for women in our campus to share their experiences and views regarding status in the society and suggest ways to improve and empower themselves. Aimed at intellectual and social upliftment of the female students, the cell lefts its mark in facilitating women’s empowerment through guest lectures, seminars soft skill development programmes, ecofriendly programmes, awareness programmes, entrepreneur training and other welfare activities.

The Women Cell is also in the process of establishing a girl students’ task force which will be trained to conduct workshops for spreading awareness against social evils and also provide a platform to female students to utilize their skills and talents for spreading positive change in the society.

08/03/2022 Women's Day

College NSS unit also celebrated International Women's Day on March 8th 2022 by giving battery operated fan and emergency light to a woman of Ward 6 who did not have electricity connection.
